BIPARTISAN COMMITTEE OF REVIEW

October 16, 2007

Dear Senators Williams and McKinney:

Pursuant to Senate Resolution No. 200, the Bipartisan Committee of Review held its first meeting on August 28. Since that time, the committee has conducted meetings and gathered and reviewed information.

The resolution charges the committee with concluding its business and issuing a recommendation within 45 days of its first meeting. The resolution allows the committee to request two 15-day extensions. The president pro tempore of the Senate, in consultation with the Senate minority leader, can grant these extensions.

The committee's initial 45-day period ended on October 12. On October 5, the committee requested and received the first 15-day extension to continue the committee's work through and including October 27.

In order to complete the committee's work, it is necessary to request the second extension. As chairmen of the committee, we request approval of our request for the second 15-day extension in order to continue the committee's work through and including November 11.

Sincerely,

Martin M. Looney
